

Mod.361-1

The image shows a technical drawing of a rectangular component with rounded corners. A vertical dashed line runs down the center, and a horizontal dashed line runs across the middle. The component has a central rectangular hole with rounded corners. On the right side of the component, there is a circular feature consisting of two concentric circles, with a vertical dashed line passing through its center. The text 'Mod.361-1' is located in the center of the component, between the central hole and the circular feature.
