(GB) Never install hooks next to each other as the load values will add up.

(F) Ne jamais monter les crochets côte à côte, car les valeurs de charge s'additionnent.

(NL) Haken nooit naast elkaar monteren omdat zich de belastingswaarden optellen.

(I) Non montare mai i ganci uno accanto all'altro, in quanto di valori di carico si sommano.

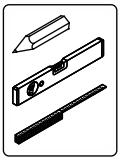

(E) No coloque los ganchos uno al lado del otro para que los valores de carga no se sumen.
